

22nd Annual OCTC

TIE Conference

Teachers, Industry & Environment Conference

October 22 - 24, 2014
Embassy Suites Columbus
2700 Corporate Exchange Dr
Columbus, OH 43231

ABOUT THE CONFERENCE

Established by the Ohio Chemistry Council's Foundation in 1993, the 22nd Annual Teachers, Industry & Environment (TIE) Conference is a **FREE**, 2 ½ day professional development summit that gives educators in grades 3-8 a firsthand experience of basic science principals and real world environmental challenges through professional lectures and hands-on demonstrations designed for classroom adaptation.

TEACHERS' TAKEAWAY

Standardized STEM Programming:

Agenda elements are aligned with Ohio's state teaching standards for STEM curriculums.

Conference to Classroom Materials:

Demonstrations and experiments give educators new tools that are easily adaptable to the classroom.

Networking Opportunities:

Time is provided for educators to meet, share and collaborate with colleagues.
